

## Summary

- Math teacher with 5 years of experience in FCPS
  - Comfortable with all K-12 math, preference for Math 7, Pre-algebra / M7H, Algebra and Geometry
  - Experience with single- and double-block, honors, and team-taught classes
  - Highly proficient with and consistent user of ed-tech: [formative.com](https://formative.com), [desmos.com](https://desmos.com), [quizizz.com](https://quizizz.com), [graspablemath.com](https://graspablemath.com), [deltamath.com](https://deltamath.com)
- 

## Experience

AUGUST 2018 – CURRENT

**Math Teacher** / Hughes Middle School (current), Falls Church High School, Rocky Run Middle

Have taught math 7 through geometry. I use many technologies in my instruction: [formative.com](https://formative.com) for assessment, spiral review, and independent practice, [desmos.com](https://desmos.com) and [graspablemath.com](https://graspablemath.com) for exploratory activities, [quizizz.com](https://quizizz.com) for light skill-building, [deltamath.com](https://deltamath.com) for homework.

SEPTEMBER 2016 – CURRENT

**Math Tutor** / George Mason University, Cauhoi Tutors LLC, Kiwi Academy, Personal

Have worked with students 4<sup>th</sup> grade through multivariable calculus. Currently tutoring small groups of advanced middle school students after school in Algebra and Geometry.

---

## Education
